

Downtown Sidewalk Repairs

News Release Date

04-15-2024

Downtown Business owners,

On April 29 and April 30, Precision Concrete will be performing concrete shaving to eliminate trip hazards on the sidewalks in the historic downtown district. To minimize the disruption to business patrons, crews will be onsite starting at 8am until around 1pm. Access to the repair area will be limited by cones. Each repair should take a maximum of 30 minutes and foot traffic will be resumed as soon as possible. All debris will be removed by Precision concrete. If you have any questions or concerns, please feel free to contact:

Dan Lafontaine

Public Works Director
